AT THE THEATERS

The approval by the public of the
Jack Golden Company could not have
been better shown than in the large
audience of Saturday evening and the
intelligent appreciation displayed by
it of the fine points of the program.
The house was not crowded—it was
fanned; and there were a large num-
ber of swell people there, too. The
program consisted of two catchy,
comical sketches, lots of fine music
and just enough moving picture busi-
ness to make the whole set well.

Tonight there will be a complete
change. The leading features will be
a roaring farce comedy and, after this
has been digested, a lively, funny mu-
sical comedy will be put on. As be-
fore there will be singing and dancing
of a high class, and the best orches-
tra music.

MINSTRELSY AT PARK.

Rance Smith, the funniest of the
comedians of the Wise & Milton show,
will appear in the program at the Park
theater this evening. He is one of
the colored artists who always finds
a welcome and makes a hit. Among
his songs tonight will be his inimitable
"Banana Man." The motion picture
specialties will be "Squidunk Sherlock
Holmes" and "The Absent Minded Cup-
id," both highly amusing sketches.
The little Melotte sisters will again
appear in new songs and dances. With
all these fine features for a program,
the popular theater should be crowded
this evening.

THE PRINCESS RINK.

Polo on skates is the latest wrinkle,
and it is a hummer, both for sport and
exercise. Saturday night the game
was between the Diamond Head and
Lellani teams, the former winning by
a score of 3 to 2. These matches will
be continued at stated intervals, oth-
ers to be announced for this week. On
each evening there will be regular
skating by patrons of the rink.

GRANT GETS ONE YEAR.

MANILA, November 2.—Judge Lo-
bingier has imposed imprisonment for
one year and the payment of half the
costs of the case upon Louis T. Grant,
codefendant with William Kennedy in
the illegal importation of opium into
the Philippine Islands.

Judge Lobingier has overruled the
motion of William Kennedy for an ar-
rest of judgment and a new trial and
unless an appeal is taken to the Su-

preme Court Kennedy will now go to
Bilibid to serve his sentence of one
year's imprisonment.

MORE WARSHIPS UNDER ORDERS

Old Fast Cruiser Columbia to be
Converted Into a
Transport.

SPECIAL MESSAGE PROBABLE.

China. Protests to Powers Against
Russian Domination in
Manchuria.

(Associated Press Morning Service.)

PHILADELPHIA, December 6.—The
new battleships Michigan and Idaho
have been ordered prepared for sea
duty, although no destination has been
given out. The old commerce destroy-
er Columbia, built in 1892, and out of
commission for some time, is to be
sent to Brooklyn navy yard and con-
verted into a naval transport. The
Columbia was built for speed and in
a four hours' forced-draught trial
made 22.8 knots.

SAN FRANCISCO, December 6.—
The gunboat Princeton finished coaling
here and has sailed for Panama or
Nicaragua.

ZELAYA READY FOR FLIGHT.

NEW ORLEANS, December 6.—It is
reported that President Zelaya of Ni-
caragua, and family, are prepared to
sail on the first steamer available. The
government forces have been pushed
back steadily by the revolutionists, and
Zelaya is in fear of capture, if not of
his life.

OPENING OF CONGRESS.

WASHINGTON, D. C., December 6.—
The second session of the sixty-first
congress opens today. President Taft
has conferred with Secretary of State
Knox and it is reported that a special
message on the Nicaraguan affair will
be presented to congress.

CALHOUN MAY ACCEPT.

CHICAGO, December 6.—W. J. Cal-
houn, the Chicago lawyer who was of-
fered the post of United States minis-
ter to China is announced to have at
first refused to accept the post, but is
reported to have been persuaded to re-
consider his action, awaiting a formal
tender of the portfolio.

PROTEST FROM CHINA.
PEKING, December 6.—The gov-

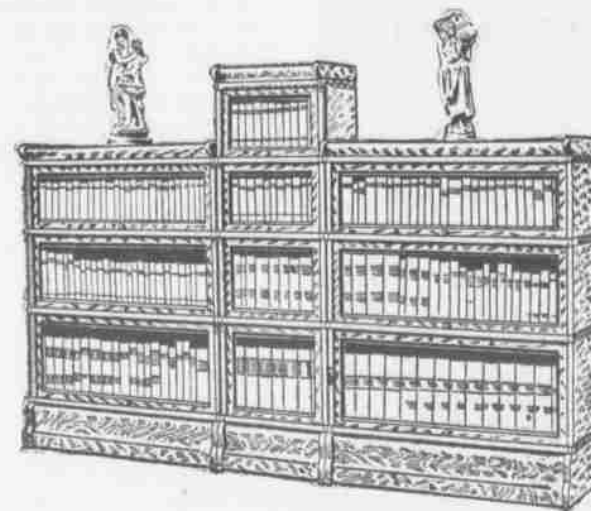

ernment of China has formally protest-
ed to the Powers against Russia's
claims to administration of the Man-
churian railway zone.

MURDERER CAPTURED.

SAN FRANCISCO, December 6.—
Charles O. Anderson, an ex-convict just
captured, has confessed to being the
man who held up and robbed two drug
stores at midnight Saturday and mur-
dered H. Schneider the bookkeeper
of the Hamman Baths. He is believed
to be insane. Schneider was ordered
to throw up his hands and not obey-
ing the order promptly, was imme-
diately shot down.

NAVAL TEST OF WIRELESS.

BOSTON, December 6.—The new
United States scout cruiser Salem has
been equipped with the most elaborate
wireless outfit ever assembled by the
navy and has sailed for the Arctic
ocean in order that a thorough test of
the wireless plant may be had. The
reason for going so far north is believ-
ed to be the desire of the officials to
take the vessel out of the zone of the
wireless operations in the Atlantic, so
that only her signals and those of a
designated station may be exchanged.
